

## About Us

Import Assist is a new business starting in 2006, with a wealth of experience. The Director Marcus Trinchini, has traveled the world importing and exporting. Gaining a massive deal of experience with different countries and cultures.

China being the primary source of buying, Marcus has learnt how to speak Chinese, which his customers find a huge advantage in their dealings with the Chinese People.

Import Assist is based in Adelaide South Australia with business partners and agents in most parts of China and Taiwan.
