Hi Marcus, We received the goods today in perfect order as per the sample you provided previously. I wanted to thank you for your hard work and keeping me up to date with the progress of the importing throughout the process. Other companies I have used in the past have not kept me informed and not delivered on what they promised. So thanks for all your help and making sure the process was easy for us. I look forward to working with you again next time we need products. Regards
