

China Import and Export Fair 2010

China Import and Export Fair also known as the Canton Fair is about to embark on its 108th show. The shows in Oct 2009 were a great success.

Import assist had taken many customers to China, all of which have already import products with the help of Import assist.

Dont miss out, April and October 2010 is coming soon. This show is held every Spring and Autumn since its inauguration in 1957.

Thousands of China's foreign trade corporations with proven credibility and sound financial capabilities take part in the fair. Included with these foreign trade enterprises are factories, scientific research institutions, foreign invested enterprises, private enterprises etc..

While importing opportunities arise at the Canton Fair, its focus is exporting from China to the rest of the world. The diverse array of products are a real asset to the Canton Fair ranging from medicines and teas to construction equipment, and hardware. Plastic moulding machines, to art and promotion products. Electrical products to furniture and house hold textiles.

Small and big business from all over the world are gathering in Guangzhou, exchanging business information and forming partnerships in China. The constant increase of attendees proves the successfulness of the fair.

Import Assist can arrange all your travel, accommodation and even accompany you to the Canton Fair, assisting with interpreting and arranging samples, and quotes.
